The New Hampshire Department of Transportation announces a combined Public Officials/Public Informational meeting will be held in Chesterfield on Wednesday, August 11, 2004 to discuss the planned reconstruction of approximately three-quarters of a mile of NH Route 63 along Spoffard Lake.

This project begins on NH Route 63 at the northern intersection with Silverdale Road and continues north approximately 0.75 miles to approximately 0.15 miles north of the NH Route 63 intersection with North Shore Road.

This safety improvement project may have an effect on a potential historical district.

The August 11 public meeting to provide an opportunity for informal discussion and an exchange of ideas will be held at the Chesterfield Town Hall, 518 Route 63, Chesterfield, New Hampshire. The 7:00 PM meeting will be followed by a question and comment period.
